RE: MINORITY BUSINESS ENTERPRISE (MBE)  
WOMEN BUSINESS ENTERPRISE (WBE)

Ms. PLAINFIELD:

We are pleased to inform you that the Oregon Office of Minority, Women and Emerging Small Business (OMWESB) has renewed the certification of your firm. Your firm continues to meet the state eligibility requirements as established in OAR 445-050-0030. Your firm is still subject to all of the laws of this state applicable to the transaction of business.

FIRM'S CERTIFICATION #:	3173
EXPIRATION DATE:	December 2, 2014

As a certified business, your firm will be listed in the State of Oregon, Office of Minority, Women & Emerging Small Business certified firm information which is available through the internet. This electronic directory is available to local and state agencies, as well as private industry and prime contractors. Prior to the expiration date listed above, you will be sent information regarding renewal.

Changes in business ownership, control, operational management, address or telephone number must be provided to this office within 30 days of the change. Failure to do so may result in denial of certification.

The following description table indicates the areas (in the form of NAIC codes) in which your firm has been approved to perform work. Please note that there may be some changes to the NAIC's codes which designate your firm's capability description(s). Also, OMWESB has recently included new (NIGP and ODOT) codes designating your certified capabilities which are consistent with your firm's eligibility requirements. These codes were added to assure that anyone using the OMWESB directory information is aware of your capabilities for potential contracting purposes. We recommend you view your firm's information on the Internet under your certification number at: <http://www4.cbs.state.or.us/ex/dir/omwesb>. Please review the information to be sure the codes/descriptions accurately describe your business. If you have questions or suggested changes regarding your capabilities and the codes assigned, or if you do not have access to the Internet, please contact the Certification Specialist named at the bottom of this letter and they will assist you.
